

CHICAGO'S PIZZA

"STILL THE ORIGINAL"

The Next Pizza You Eat Could Earn Money For Your Organization!

We're not talking about any pizza though. We're talking about *Chicago's Pizza* – a top quality, "pizzeria-style" pizza.

**We
MAKE
IT...
You
BAKE
IT!**

Since pizza fits everyone's lifestyle, you have nothing to lose and everything to gain!

Already, our pizza has gained a loyal customer following. But we want more people to discover for themselves **the Chicago's Pizza difference.**

That's why we're offering your organization two unique and easy ways to add fundraising dollars to your treasury without the hassle of normal fundraising techniques. For each large Chicago's pizza your members sell, we'll donate \$2.50 to your organization to benefit fundraising activities.

OPTION #1:

- We'll provide easy to follow forms for you to use when compiling your sales for the Chicago's Pizza Take & Bake product.
- Determine a length of time to have your members sell and collect for as many pizzas as they can.
- Drop off the completed forms to Diana at Chicago's Pizza and we'll set a date for pick up and determine the amount to be paid at that time.
- This product is made fresh for you and can be baked immediately or frozen for future use.
- The money collected is always in your control.

OPTION #2:

- Tell us how many members you have...we'll provide you with a unique set of numbered cards.
- Distribute the cards to your members and encourage them to stop by our Chicago's Pizza store at 1031 N. State Street, Greenfield.
- The normal store hours are Monday-Thursday 11am – 10pm, Friday & Saturday 11am – 11pm and Sunday 12pm – 9pm.
- Cards must be presented at the time of order. The more pizza purchased, the more money for your treasury.
- At the end of a determined promotion time, we'll tabulate all cards submitted by your members and send a check to your organization.

Call us at **(317) 462-3131**...we'll introduce you to one of the best tasting, **and maybe most profitable**, pizzas you've ever eaten.
